## **ACKNOWLEDGEMENT**

With Great pride we would like to convey our gratitude and appreciation to our alma-mater **“S.J.C Institute of Technology”** for giving us the required platform for the fulfilment of the Mini project on Database Management System as per the V.T.U requirements, for the fifth semester lab on the same subject.

We express our sincere thanks to **Dr. RAVI KUMAR K M**, Principal of **SJCIT**, Chickballapur for providing me with excellent infrastructure to complete the Mini project.

We express whole hearted gratitude to **Dr. ANITHA** who is the respectable **HOD of Computer Science and Engineering Department**. We wish to acknowledge her help in making our task easy by providing us with her valuable help and encouragement.

It is our pleasure to thank our guides **Mr. PRADEEP KUMAR, Assistant Professor, Department of Computer Science and Engineering, SJCIT** and **Mrs. VINUTHA K, Assistant Professor, Department of Computer Science and Engineering, SJCIT** for their guidance, encouragement and valuable suggestion from the beginning of the Mini project work till the completion without which this Mini project work would not have been accomplished.

We are greatly indebted to them. And last but not the least, we would be very pleased to express my heart full thanks to the teaching and non-teaching staff of Department of Computer Science and Engineering, SJCIT for their motivation and support.

We also thank all those who extended their support and co-operation for successful completion of this Mini-Project.
